

Activate! Digest

Year 3, Quarter 1, October - December 2016

Summary of Activities

Data and Methods

Aim I

Data entry was completed and the initial analysis reviewed. We conducted a preliminary literature review to assess which school level variables are appropriate for the next phase of analysis and potential manuscript development. We are also reviewing policy and measurement at the state level to determine next steps for analysis and interpretation.

Aim 2

This quarter focused on review of completeness of consents of participants, baseline data collection (survey, Fitbit), and start of school and family interventions. Final student/parent participant numbers include 133 in the family intervention (5 schools), 75 in the school intervention (4 schools), 113 in the control intervention (4 schools), and 40 school personnel (22 classroom teachers, 10 PE teachers, and 8 principals).

Action Steps:

Aim 1:

- November 16: Initial review of Aim 1 analyses (Dustin Long, Lesley Cottrell, Nancy O'Hara Tompkins, Traci Jarrett, Karen Northrup)
 - Unexpected results led us to consider policy and measurement changes between the 13-14 and 14-15 academic years more closely
- November: Literature search for school level variables appropriate for the next phase of Aim 1 analysis (Traci Jarrett)

Aim 2, Cohort 1:

- December: Data Entry complete (Dustin Long, John Bassler)

Aim 2, Cohort 2:

- Oct 3-10: Review of consent packets for completeness of consent, Fitbit preparation for baseline data collection (Lesley Cottrell, Liesl Kammer)
- Oct 10 - deadline for correction of incomplete consent
 - Oct 11: School Intervention Teacher training held at RESA V in Parkersburg (Sue Childers, Mary Weikle, Adam Keith, Melissa Kuhn, Liesl Kammer, Nancy O'Hara Tompkins, Karen Northrup)

- October 13-19: Distribution of Fitbits to fully consented student participants (Sue Childers, Karen Northrup, Sherry Ellem, AmeriCorps Members)
- October 20-26: Collection of Fitbits (Sue Childers, Sherry Ellem, AmeriCorps Members)
- October 28-30: Download/sync of student (Family Intervention) Fitbits and readied for distribution during Family Intervention family visits along with parent Fitbit (Lesley Cottrell, Adam Keith)
- December: Download of Control and School Intervention student Fitbits completed (Lesley Cottrell, Adam Keith)
